Product Specification

39mm Top Mount Angle Data Strip

Description- This Clear or Clear/Coloured extrusion is used for holding price tickets on retail shelving, usually glass shelves in a pharmacy or similar. Designed to hold a 39mm price ticket, this extrusion has a high strength 9mm double-sided adhesive tape applied to the underside of the angled portion to enable ease of fitment to shelving. Clear front enables no-fuss scanning of tickets

Material- Rigid PVC

Standard Colours- Clear, Red, Grey, White, Blue, Black, Yellow, Blue
Custom colours can be matched to corporate colour scheme (minimum order quantities apply)

Standard length- 914mm, 1200mm
Custom lengths can be cut on line to order.

Packing Method- white cartons

Number per pack- 100 pieces per carton

Weight per pack- approx 9kg depending on length ordered

Related product of interest- J-Strip, Hinged Adaptor, Shelf Talker Clip.
